**ARTICLE 2 SPECIAL TOWN MEETING SYMMES COMMITTEE REPORT:** Foskett reviewed the process followed by the Symmes Committee, which he chairs, and briefly summarized the printed report provided Town Meeting on opening night. He noted that under the management of the Redevelopment Board, the operating costs of the property have been greatly reduced from the original estimates. So far, these costs have been covered by revenues from the tenants.

McClennen provided a printed cash-flow report. Of the portion of the money borrowed that was budgeted for planning and consulting, \$300,000, most has been expended or committed (\$286,000). With the help of the consultant, VHB, the Symmes Committee has developed a set of requirements and preferences along with three usage concepts for the site, which the Town Meeting will be asked to approve. These requirements and preferences, consistent with the Board of Selectmen ground rules, are intended to provide detailed guidance to the Redevelopment Board. In response to a question, the Symmes Committee opposes Housing Authority's proposal (Article 2), because it would fragment the development and make it more difficult to get both an acceptable and affordable outcome. In response to another question, Foskett stated that parking lots do not count as open space.

**COMMITTEE:** A meeting is planned 5/3 Saturday 8:30AM. . Tosti is planning to have the Finance Committee Report ready for Town Meeting on 5/7.

**RESERVE FUND BALANCE** \$300,000

Peter B. Howard  
 Secretary
